The following members of the Board were present:

There was one continuation on the calendar:

2000-12 Mr. and Mrs. John Cooper-Mullin - 20 Barney Park,
 (Sheet 5, Block 208, Lot 32).

This was an application for a variance from the rear yard set back requirements of § 243-11A of the Zoning Ordinance. Applicants sought to add a small addition to the rear of their house to expand the interior living space of their home. Applicant's architect, Mr. Gary Spilatro, appeared in support of the application and explained the nature of the addition to the Board, referring to plans that were filed as part of the record. It was noted that the addition was small and unobtrusive. After

discussion, the Board voted unanimously to approve the application.

Respectfully submitted,
